DETAILED ACTION

1. Claims 1-13 and 15-21 are allowed.

REASON FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-13 and 15-21, the prior art fails to teach or suggest naming command specifying a format for generating a plurality of unique character sequences. As it is argued on page 10 of remarks filed on 01/13/2009. Claim 1, further recites in response to receiving the naming command, automatically create a plurality of names, each of which has a character sequence that is arranged according to the format specified in the naming command; automatically assigns and transmits plurality of names and information identifying the corresponding computer resources to an external entity. As it is enabled in the specification page 26.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MOHAMMAD A. SIDDIQI whose telephone number is (571)272-3976. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan J. Flynn can be reached on (571) 272-1915. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
